# *Temperature Summary*

- Arctic front blasts through the region Sunday night into early Monday morning
- Bitterly cold temperatures expected Monday through Wednesday, particularly on Tuesday
  - Some places may remain below freezing for up to 90 hours
- Northerly winds will produce dangerously low wind chill values

## **WIND CHILLS**

Sunday PM – Monday AM	Monday	Monday PM – Tuesday AM	Tuesday	Tuesday PM – Wed. AM
-5° to 5° F	0° to 15° F	<b>-15° to 5° F</b>	0° to 15° F	<b>-10° to 0° F</b>

**\*\*\*Lowest wind chills Tuesday and Wednesday mornings\*\*\***

# ***Impacts***

- Travel concerns mainly across the northeast half of the Panhandles due to possible snow covered roads on:
  - All Highways and Surface Streets
- Visibility restrictions due to the falling and/or possible blowing and drifting of the snow
- Dangerously cold Wind Chills Monday through Wednesday mornings
  - Especially Tuesday and Wednesday mornings
